MEMORANDUM FOR: Executive Officer, IC Staff

SUBJECT: USIB/IHC Weekly Activities Report

I. NEW ITEMS

1. Crisis Management Communication Card

In connection with current actions updating and augmenting procedures for crisis operations and management, the Crisis Management Communications Card is being reviewed and revised. It is intended to include on this card, which currently contains the names and telephone numbers of centers in the intelligence community involved in watch office activities, the names and telephone numbers of centers outside the intelligence community involved in similar activities and who it may be necessary to contact in a crisis situation. To preclude the possibility of accusations of involvement in domestic activities, a letter is being sent from D/DCI/IC to Lieutenant General Scowcroft, Deputy Assistant to the President for National Security Affairs, to secure his approval and designation of a point of contact to collect this information outside the intelligence community. Action Officers:

was coordinated with DDA and within the IC Staff and signed by D/DCI/IC. Briefly, it concurred in the proposal and requested that the Chairman, IHC be directly informed where IC in its USIB role can be helpful to the ASD(I) point of contact. Action Officer: IHC/[] 25X1

2. Imagery Dissemination in the Washington Area

The memo from the D/DCI/IC to the CIA Comptroller requesting budgeting and funding for the photofacsimile system has been signed and forwarded. While final decision on the availability of the funds for FY 75 cannot be made by the Comptroller prior to a budget meeting of 18 June 1975, planning continues on the assumption that this will be resolved affirmatively.

25X1 Briefings on the photofacsimile system were requested by and given to [] Deputy Director NSOC, NSA; [] Deputy Director for Information Systems, DIA; and [] Director, Information Processing Techniques, ARPA. Action Officers: IHC/[] 25X1 25X1

3. CONTEXT

25X1 A memorandum was drafted for the Office of the D/DCI/IC outlining the need by this project for a dedicated secure voice conferencing link between the Pentagon, CIA, NSA and State Department. Subject to the budgeting of funds (\$24,000) for a communications bridge and an analog-to-digital converter, and the availability of two crypto devices from DIA, this system should be operational by early October 1975. In addition to arranging the aforementioned items, the IHC Staff is coordinating the installation of the system with NSA, DIA and State. Action Officers: IHC/[] 25X1
